*****After hearing a lot of feedback from you (the Customer), we have elected to include the star wire cost in the price of our plants. In the past this has been separate and has caused some challenges for accounting and tracking. We will still be applying star wires to plants as we (the Grower) deem necessary but taking the guess work out of the pricing. Hopefully this will clear up any confusion on exactly what the pricing will be.**

Thank you for your business, we look forward to serving your needs!
